

Untitled document

The Landing offers wide views of the river, Coleman Bridge, Gloucester shoreline, and the varied boat traffic on the York. Our food and beverage service includes continental breakfasts, coffee breaks, receptions with hosted or cash bars, an array of hors d'oeuvre, and lunch and dinner menus.

The banquet menus are designed to let you create your own menu. A menu will be printed and presented to you when your selections are complete, allowing guests to view the menu while selecting their choice of entrees. All menus include bread, fresh vegetables, side dish, and a beverage.
